REF: A. COMSOC SOUTH 071600Z NOV 05

[1](#)B. 05 STATE 83724

[1](#)1. This is an action request. See paragraphs 2 and 3. Post notes that training is due to begin on September 25, 2006.

[1](#)2. Action request: Embassy requests the Department assist in conducting a Leahy Amendment Human Rights review, as well as a general name check of the following Chilean Navy candidates who have been nominated for training, pursuant to the Leahy Act and Foreign Assistance Act. Please transmit the results of such, including information not strictly covered by the Leahy Amendment, to Embassy.

[1](#)3. The proposed training is the Port Security and Vulnerability Course, which will take place in Chile, September 25 through September 30, 2006. This course is a Mobil Training Team (MTT) coordinated by the U.S. Coast Guard and sponsored by the USSOUTHCOM Counter-Terrorism Program. The names and identifying information of the proposed candidates appear in the following format: Name, date of birth and national identification number. Post regrets that we do not yet have the name of the participating Chilean unit or the candidates' place of birth (although most were likely born in Chile). We are working with the appropriate Chilean military officials to obtain this information, and will convey it to the Department as soon as we receive it. In the interest of time, and given that September 18 and 19 are official Chilean holidays, Post wishes to submit the following information to allow the Department to begin its review.
